Our curriculum is underpinned by the 4 Core Purposes:

Ethical, Informed Citizens Ambitious, Capable Learners
Healthy, Confident Individuals Enterprising, Creative Contributors

Whilst developing skills in the **Areas of Learning** identified above, we will also be ensuring that your child develops skills in the **Three Cross Curricular Responsibilities**:

LITERACY CROSS-CURRICULUM NUMERACY CROSS-CURRICULUM
DIGITAL COMPETENCE CROSS CURRICULUM

Above all else, we want your child's school experience to be happy, with engaging activities which will inspire them. This works best when school and home work together. Please approach your child's teacher or make an appointment if we can help in any way.

Here are some ways that you can help too:

- **READING** - the key to everything in school is the ability to read and to foster a lifelong love of it. Please hear your child read as often as you can.
- **PE KIT** - PE kit can be worn to school instead of uniform, on your child's PE day.
- **FRUIT** – being a 'Healthy School' we promote eating fruit as a playtime snack. Fruit can be either brought in from home, or purchased from school, costing £1 per week.

Here's to another fun and busy term ahead. Remember to follow us on X / Facebook and we look forward to working with you to support your child.

Diolch yn fawr / thank you very much,

Mrs Williams, Miss Richards, Miss Branston
